Climate Change Project 4th – 12th

Fee: \$10

Students will learn all about Climate Change and what can be done to help slow down the negative changes. We will focus our local community and develop strategies for educating people of all ages. Students will develop their writing, research and public speaking skills. Students will also learn how to incorporate music, poetry, videography and comics as a way to spread the word about caring for our environment and improving our community awareness. Students will also learn how government policy, state representatives and city officials have an influence on this important topic. This club will not meet every week – we will meet some Wednesdays and some Fridays **6 – 8pm**; schedule will be given out during initial parent meeting.

Leadership Training 5th – 12th (FREE if attending other clubs \$15 if not)

The RCLC has helped to develop many successful youth and young adult leaders in our community. We will look at what some of our previous Leadership Council Members are doing today and learn from their successes and challenges. We will also focus on what characteristic help make young people confident leaders, while exploring how social media can enhance and harm your leadership reputation. Most importantly, we will help student determine their leadership strategy and help them develop a specific plan for their success as their write their very own personal story called “My Leadership Journey”. The club will meet once a month on Wednesdays from 5:45 – 8pm.
